 Clubs	+ Add video for Clubs
 Ribbon	+ Add video for Ribbon

Requirements for the videos:

Maximum video size 200 MB

Accepted formats are mp4, avi, mov and wmv

The video has to be taken horizontally

the video has to be taken from the perspective of the judges – from the middle of the carpet, gymnast facing to the camera

the camera has to be in a fixed position during the performance (no moving around, no zoom etc) – we recommend to use a tripod

do not film into sun-light

do not apply any filters to the videos

the gymnasts have to wear leotards like in a competition and have proper hair style

Make sure the music is playing loud enough and to be recorded WITH the video.

the better the quality of the video, the easier it is to be judged!
